Be Alert of Hotel Room Piracy

There are companies approaching ATS vendor partners about housing blocks for the 2019 ATS International Conference. The only housing company that officially represents ATS is Experient.

The Risk for YOU

Unfortunately, room poachers often don't deliver on promises to customers. If you are booking with anyone other than the official housing provider you risk:

- arriving on-site to find out their reservations don't exist and their credit card had been charged.
- not receiving hotel or rate originally booked, receiving a higher rate at a different hotel.
- being placed at a hotel far from the convention center.
- having their rooms cancelled with significant deposits lost or hefty cancellation fees charged to credit cards.
- having their credit cards charged in full at the time the reservation is made as well as additional hidden costs.
- not being offered protection should changes or cancellations need to be made.

Please inform us if you are contacted by anyone else other than Experient by calling Anna Girardi at 1-847-996-5430 or email her: ATS-Packages@experient-inc.com.
