

## EXHIBIT HALL HIGHLIGHTS

### Breakfast in the Exhibit Hall

The ATS offers a heart-healthy and light continental breakfast, featuring a selection of nonfat yogurts, low-fat granola, sliced seasonal fresh fruits, dried fruits, assorted low-fat muffins, low-fat cream cheese, and fruit preserves.

NEW  
THIS  
YEAR

#### BREAKFAST SCHEDULE

Sunday, Monday, and Tuesday: 8–9 a.m.

Location: *Food and Beverage Areas located adjacent to the Practical Workshop, and behind the 2300 aisle*

### ATS Walking Challenge

The ATS and TEVA Respiratory are teaming up to help you stay active and raise funds for the ATS Foundation with the ATS Walking Challenge. For every participant who walks 30,000 steps, TEVA Respiratory will make a donation of \$100 to the ATS Foundation, for a total maximum donation of \$50,000.

NEW  
THIS  
YEAR

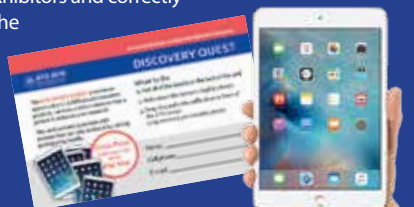

The first 2,000 registrants receive a free ATS wireless activity tracker to use with the ATS Walking Challenge mobile app (distributed on a first-come, first-served basis). The ATS Walking Challenge mobile app also supports attendees who use their own Fitbit, Jawbone, or iPhone/Android smartphone step counters. The top three overall steppers win a prize from the ATS.

Watch it all unfold in real time on leaderboards in the TEVA Respiratory booth #419 or at the ATS Walking Challenge booth located in the Moscone Center Lobby (South Building, Street Level).

### Discovery Quest

Broaden your Exhibit Hall experience by participating in the Discovery Quest. The Discovery Quest is a fun way to explore the Exhibit Hall while learning about interesting products and companies who may not be on your radar. Visit all the participating exhibitors and correctly answer each question on the game card for your

chance to win one of five iPad Minis per day. *Game cards provided in registration materials and in the Exhibit Hall.*

WIN

iPAD MINIS  
PER DAY

# AstraZeneca

## What science can do

AstraZeneca is developing new approaches addressing imbalances in the immune system that may be an underlying cause of respiratory diseases. Rather than simply relaxing airway constriction and dampening inflammation in the lung, this research aims to target toll-like receptor 9 in dendritic cells in the lung.

## Stay up-to-date with the ATS 2016 mobile app

For conference information at your fingertips, download the conference app, ATS 2016, from the App Store or on Google Play. You can build your itinerary, learn about special events, browse sessions and speakers, map your trip in the Exhibit Hall, and receive important updates. *The ATS 2016 mobile app is supported by Gilead Sciences, Inc.*

### Assembly membership meetings

Assembly membership meetings take place in the Marriott Marquis and the Hilton Union Square from 6:30-8:30 p.m. on Sunday, May 15, and from 5-7 p.m. on Monday, May 16.

A complete listing of the assembly membership meetings can be found in the *Final Program*, in the *ATS Daily Bulletin* newspaper, on the conference website, and on the ATS 2016 mobile app.
