

Adult Track

Hands on Workshops

Friday – Airway 101
Friday – Bronchoscopy 101
Friday – Mechanical Ventilation
Friday – Non-invasive positive Pressure Mechanical Ventilation
Saturday – Difficult Airway
Saturday – Bronchoscopy for Hotshots
Saturday – Cardiac Ultrasound
Saturday – Lung Ultrasound and Pleural Disease

Breakout Sessions

Friday – PFT Interpretation
Friday – Critical Care Hemodynamic Waveforms
Saturday – Pulmonary Physiology
Saturday – Pulmonary Pragmatics (Inhalers and Outpatient Devices)

Pediatric Track

Hands on Workshops

Friday – Airway 101
Friday – Bronchoscopy 101
Friday – Non-invasive Positive Pressure Ventilation
Friday – PFTs
Saturday – Line Placement and Chest Tubes
Saturday – ECMO
Saturday – Mechanical Ventilation
Saturday – Airway Clearance and Devices

Breakout Sessions

Friday – Approach to Acute and Chronic Respiratory Failure
Friday – Pulmonary Physiology Case Studies
Saturday – Case Studies in Sleep Medicine
Saturday – Keys to Success
