Title of Press Release: American Thoracic Society Selects Immune IQ to Present Breakthrough Point-of-Care Diagnostic Technology at the 2023 Respiratory Innovation Summit

Link to Press Release: <https://www.immuneiq.com/2023-05-07-ats-ris>

Lead Paragraph: [Immune IQ](#), a point-of-care diagnostic platform company, has been selected by the [American Thoracic Society](#) (ATS) to showcase its Immune Reveal™ platform at the [2023 Respiratory Innovation Summit](#). Developed in collaboration with Honeywell, Immune Reveal is the first-of-its-kind point-of-care diagnostic platform. Immune Reveal integrates automatic disease screening with confirmatory testing to rapidly provide unique insights into a variety of diseases, including sepsis, heart disease, cancer, and COVID-19. Immune IQ founder and CEO, David Deetz, will present on May 20, 2023, at 11:30 am EST.
