

Road Maps to Navigate the Conference

Use one of the "Road Maps" to find sessions and other learning opportunities within a given area of interest or audience type. These include:

- Road Map for Beating Burnout
- Road Map for Early Career Professionals
- Road Map for Medical Educators
- Rare Lung Disease Guide
- Highlights for Clinicians

These road maps can be accessed via the conference website (under Program, choose Publications) or the conference mobile app (under the Sessions & Abstracts tile).

Exhibit & Innovation Guide

Be sure to review your copy of the Exhibit & Innovation Guide, which you'll find in your registration bag at the convention center. This guide provides all the details for industry programming and navigating the Exhibit Hall.

What's New

Explore the Restoring Joy in Health Care booth (#904) to crowdsource ways to improve the professional environment, get a chair massage, or visit with a therapy dog to bring you back to center.

Navigate ATS 2018 with the conference mobile app

For conference information at your fingertips, download the conference app. Search ATS 2018 in the App Store or on Google Play. You can build your itinerary, learn about special events, browse sessions and speakers, map your trip in the Exhibit Hall, compete in the Discovery Quest, and network with colleagues. *The ATS 2018 conference mobile app is supported by Gilead Sciences, Inc.*

To register, call 866-892-0065

An Industry Theater presentation sponsored by AstraZeneca.
Open to all ATS 2018 International Conference attendees.

AstraZeneca fully supports and abides by the PhRMA Code on Interactions with Health Care Professionals. AstraZeneca cannot accommodate or pay for the cost of a spouse or other guest of a health care professional. As such, this program is open to invitees only. If you are a prescriber and/or a federal, state, or institution employee, you may be subject to laws, regulations or rules which prohibit or limit gifts, meals, or items of value you may receive. We ask that you comply with any restrictions that govern your receipt of gifts, meals, or items of value.

This is a presentation sponsored directly by AstraZeneca and there are no continuing medical education (CME), continuing nursing education (CNE), or continuing education (CE) credits associated with this activity.
