Make plans to exhibit in 2024
We are excited to welcome you back to **ATS 2024**!

Join us as we connect with specialists in all aspects of respiratory health—from clinicians to researchers to educators—all of whom share your passion for improving patient care.

ATS 2024 will showcase the latest advances and discoveries in respiratory science, patient care, and global public health. At this unprecedented time, the products, devices, and services you deliver are essential to the breakthroughs and significant contributions that are changing lives and shaping the scientists, healthcare professionals and medical leaders in the field.

**Be at the center of it all!**

We invite you to exhibit at the ATS 2024 International Conference in San Diego, CA. This premier conference, featuring experts in all aspects of respiratory health, including pulmonary, critical care, and sleep medicine, is the place to connect, collaborate and innovate.
Why Exhibit at ATS 2024?

- **Interact** face-to-face with physicians involved in patient care.
- **Connect** with an expected 10,500 pulmonary, critical care and sleep professionals from the U.S. and around the world.
- **Build visibility** for your company, brand, and products.
- **Introduce** new products and services.
- **Measure** success with lead retrieval and a validated third-party attendee audit.
- **Learn** with access to educational sessions and networking events. (Exhibitor badges cannot claim CME/MOC nor do they provide access to ticketed sessions)

We Promote You!

The ATS 2024 Exhibit Hall is a key feature of the conference and is included in all marketing promotion and eblasts.

- **ePreview #2** is dedicated and focused on exhibitors, the exhibit hall and Industry Programs. ePreviews are related to each persona ensuring content is relevant and timely.
- **Know Before You Go** is sent to all attendees and promotes the Exhibit Hall.
- **ATS Conference News** highlights the exhibit hall and conference activities.
- **Online Exhibitor Directory/Mobile App** Company description, disease state, and product category listings in the ATS 2024 Online Exhibitor Directory and the ATS 2024 mobile app.
- **You-Are-Here Locators** Attendees can easily search exhibitors by the top product categories using convenient QR codes or by viewing a large floor plan on the Exhibit Hall with the exhibitors listed in alpha-order.

Value-Add Offerings for Exhibitors

**Exhibitor Success & ROI Center**
The ATS Exhibitor Success & ROI Center is your FREE, on-demand, 24/7 exhibiting knowledge resource to give you answers to your most pressing exhibiting challenges, expand your exhibiting know-how, and improve your company’s exhibiting performance and ROI.

**E3 Exhibiting Effectiveness Evaluation**
As one of our top value-added services, we provide unbiased, expert feedback of your exhibit in action at our show. This innovative program offers expert diagnostic insight into your booth presentation, product/service presentation and your exhibit staff and includes an evaluation report identifying effectiveness and potential areas of improvement.

**VIP Customer Exhibit Hall Only Registration**
Each exhibitor receives five complimentary VIP Customer Exhibit Hall Only Registrations to invite customers and potential customers.

**Attendee Outreach Opportunities**
Exhibitors can purchase a one-time use of the attendee list either as an email, mailing, or internal reference, which can be segmented by the attendee demographics, so you can reach the exact target audience you want to see.

**Complimentary Attendee Preview List for All Exhibitors**
The preview list distributed in early March, contains the institution, degree, state, country, address type, topics of interest, work setting, and nature of professional activities for the attendees pre-registered as of the date the list is pulled. This can be used to cross reference against your internal lists to assist you with marketing your booth.

**Expo Hall Meeting Rooms**
We offer our exhibitors the opportunity to rent private meeting rooms located in the Exhibit Hall. These Expo Hall Meeting Rooms can be customized to meet your needs. Expo Suite sales will open in Fall 2023.

**Business Suites**
Additional room options are available outside the Exhibit Hall to accommodate your meeting needs. These are great for client meetings, focus groups, private demonstrations or for your staff. Discounted pricing is available for exhibiting companies. Business Suite rentals are available for full conference or two day rentals. Business Suite sales will open in Fall 2023.

Specialty Areas are Major Areas/Nature of Professional Work/Training

Contact Steven Strom | 661.615.3515 | sstrom@thoracic.org
Attendees seeking the latest discoveries in respiratory science, patient care, and global respiratory health gather in the exhibit hall to hear from leading experts at an industry program.

**Innovation Hubs**

Innovation Hubs are learning experiences consisting of 15-20 minute sessions, led by subject-matter experts from industry. A Innovation Hub session consists of a 10-minute burst outlining a problem statement, mitigating factors, the host’s perspective/solution, and a challenge or question posed to attendees, who discuss for the remaining 5-10 minutes. Innovation Hub applications will open at 11:30 AM E.T. on October 25, 2023 and are first-come, first-serve.

**Industry Theaters**

Enhance the attendee’s educational experience in the Exhibit Hall by hosting an ATS Industry Theater. Theater presentations are the optimal opportunity for industry participants to promote brand launches or current therapies, conduct a focused program on disease awareness, or discuss current pipeline activity. Presentations are either 30-minutes, 45-minutes or 60-minutes long and theater size ranges from 50-250 people. Industry Theater applications will open in Fall 2023 and are first-come, first-serve.

*ATS provides boxed lunches for the theaters.*

**Fundraising in the Exhibit Hall**

The ATS encourages exhibitors to incorporate a fundraising activity for the ATS Research Program as part of your booth. Make it fun, make it rewarding and most importantly make a difference by supporting research and improving patient care.

The ATS Research Program provides research grants to promising young investigators launching careers—100% of the donation goes to support research grants and awards.

The ATS is invested in your success and as such promotes your fundraising activity via the Assembly Newsletters, the ATS Daily Bulletin, Facebook, Twitter, and the Know Before You Go email blast to all registered attendees.

To learn more about fundraising in the Exhibit Hall please contact Meredith Smalstig, Associate Director - Sponsorships & Industry Programs at msmalstig@thoracic.org.
CANCELLATION POLICY
A 50%, non-refundable deposit is due within 30 days of booking your booth. A refund minus the cancellation fee of 50% of the total booth price is available until Friday, February 9, 2024. After February 9, 2024, there are no refunds, and the full balance is due.

FOR DOWNSIZING:
Please note for downsizing, half the priority points for the year are forfeited. The ATS retains the right to relocate an exhibitor after downsizing. The ATS can sell canceled or downsized space to another exhibitor without any rebate or permission. No refunds will be issued for downsizing your booth space.

Clinical Trial Awareness and Recruiter Booths

Clinical Trial Awareness Booths
Positioned in a high-traffic location, distinct and separate from all other commercial booths, the Clinical Trial Awareness area allows for scientific discussions to happen in a noncommercial environment. Connect with attendees interested in clinical trial opportunities that advance pulmonary, critical care, and sleep medicine by reserving space in Clinical Trial Awareness. Meet with attendees to share the latest scientific advances and breakthroughs and to develop a dialogue for future partnerships and collaborations.

Booth space is $1,300 per 10’ x 10’. Space is limited.

The exhibiting hours for Clinical Trial Awareness differ from regular Exhibit Hall hours to maximize attendee traffic. The hours for Clinical Trial Awareness are as follows:

• Sunday, May 19 – 8:30 a.m. to 4:30 p.m.
• Monday, May 20 – 8:30 a.m. to 4:30 p.m.
• Tuesday, May 21 – 8:30 a.m. to 4:30 p.m.

Job Recruitment Booths
Let the ATS help you reach the job candidates you need! With over 10,500 pulmonary, critical care, and sleep specialists expected in attendance, there is a good chance your next hire could be here. Discounted booth space is available for companies looking to recruit for open positions. Job Recruitment exhibitors may select any inline booth on the exhibit floor.

Check with your recruitment team to see if this addition to your ATS 2024 plans provides additional value to your company.

Cost $2,900 per 10’x10’ booth space

The 10’x10’ booth space includes carpet, a 6’ draped table and two chairs.

How the ATS promotes Clinical Trial Awareness

• Listing and write-up in the ATS ePreview sent to up to 10,000+ conference attendees
• Write-up in the ATS Conference News
• Notifications via the ATS conference mobile app
• Signage placed around the convention center

The ATS recommends companies purchase the ATS pre-registration attendee list.

Send a targeted message to attendees in the countries and disease areas of the clinical trials to let them know you want to meet them.

The attendee list order form is available in March.
Exhibit Booth Information

Booth Construction

• Standard booths are limited to 8 ft. background drapes and 3 ft. side drapes. Maximum height of inline exhibits is 8 ft. and may extend only 5 ft. from the back wall. The remaining 5 ft. must not exceed 4 ft. high.

• For islands, 20 ft. will be the maximum height permitted and there must be access from all four sides with a 30% see through effect. All island booths must be submitted for approval by April 3, 2024.

• Contact ATS for specifics and approval for any variations or two-story exhibits.

• All booths must be fully carpeted. Please note carpet is not included in your booth purchase and is the responsibility of the exhibitor.

• The maximum height for the top of any banner is 22 ft.

Independent Service Contractors

Exhibiting firms may opt to use independent service contractors for installation and dismantling. If such contractors are used, the exhibiting firm is responsible for notifying the ATS of the name and address of the contractor by Wednesday, April 3, 2024. Independent service contractors are responsible for notifying the ATS of the booths they will work in by Wednesday, April 3, 2024. They are also responsible for providing management with proof of insurance coverage by that date.
