

Instructions on Accessing Abstract Sessions for Attendees with Exhibitor Badges

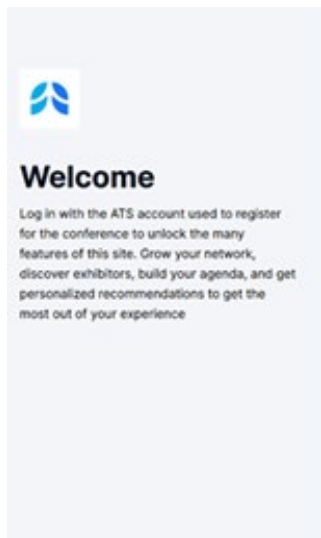

Exhibitor badges are not tied to ATS accounts like full conference badges are, so to access the Abstract Sessions online you will need to go through the following steps to access the Abstract information:

Step 1) Click on the ATS 2025 Abstract Session Link: [ATS 2025](#)

Step 2) Enter your email address in the “Email” box and click continue

A screenshot of the ATS 2025 sign-in page. On the left, there is a "Welcome" section with the ATS logo and text: "Log in with the ATS account used to register for the conference to unlock the many features of this site. Grow your network, discover exhibitors, build your agenda, and get personalized recommendations to get the most out of your experience". On the right, there is a "Sign in" section with a yellow button labeled "Login with ATS". Below this, there is text: "For ATS Vendors and Admin user access please enter your email below. Registered attendees please use the above ATS portal link." There is an "Email" input field, a "Continue" button, and a link for "Continue as guest". A large red arrow points from the "Welcome" section towards the "Sign in" section.

Step 3) Check your email for an email from no-reply@sherpa-solutions.com. This email may be sent to your Junk or Spam folder. If possible, we recommend having the email address whitelisted ahead of time, so it lands in your inbox.

Check your email

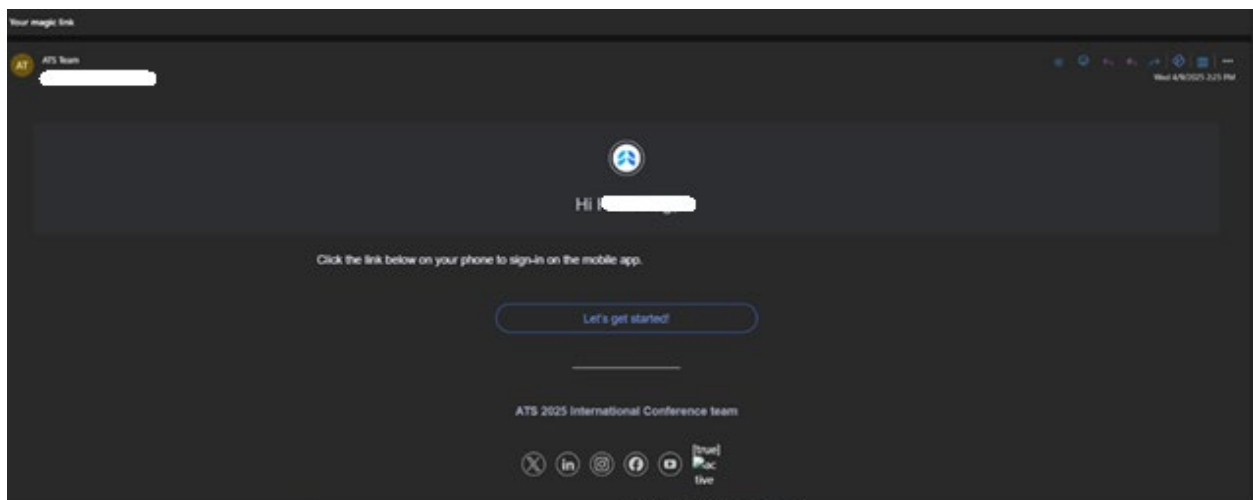

Use the magic link we sent to [redacted] to sign in quickly, without a password.

Need help signing in? [Contact support.](#)

Step 4) The email you receive will look like the screenshot below. Opening the email and click on the “Let’s get started!” button.

Step 5) A browser will open with you logged into the Abstract sessions. You will not need to repeat this step as long as you use the same browser to view the abstracts each time you enter the website.
