Abstract Submission

Abstract Type- Scientific Abstract or Case Report

Begin your abstract submission by scrolling to the bottom of the dashboard, and selecting the appropriate abstract type.

**Scientific Abstracts**- these abstracts must contain:
1. A descriptive title, list of authors and institutions;
2. An introduction/rationale to the study;
3. The methods used;
4. The results of the study including new data not previously published or presented at a major national or international meeting;
5. Conclusions of the study. It is not satisfactory to state: "The results will be discussed."

**Case Reports**- these abstracts must contain:
1. A descriptive title, list of authors and institutions;
2. An introduction;
3. A description of the actual case report(s);
4. A discussion of the novelty and importance of the specific case(s).
• Enter your title into the textbox. If your title contains special characters, subscripts, and/or superscripts, you may copy and paste your title from MS Word.
• Make sure to follow all style guidelines when entering your abstract title.
• Click on SAVE AND CONTINUE.

Correct Title Format - Example:
This Is a Properly Formatted Abstract Title

Please click Save and Continue at the bottom of the page to save your work and move ahead to the next step. After you have done that, you can return to a previous step by clicking on the step name on the left hand side of your screen. Do NOT use the browser’s back button.

Please Note: Do not enter the name of authors, institutions, or abstract body in title box.
