Abstract Submission

Abstract Type - Scientific Abstract or Case Report

Scientific Abstracts - these abstracts must contain:
1. A descriptive title, list of authors and institutions;
2. An introduction/rationale to the study;
3. The methods used;
4. The results of the study including new data not previously published or presented at a major national or international meeting;
5. Conclusions of the study. It is not satisfactory to state: "The results will be discussed."

Case Reports - these abstracts must contain:
1. A descriptive title, list of authors and institutions;
2. An introduction;
3. A description of the actual case report(s);
4. A discussion of the novelty and importance of the specific case(s).

Begin your abstract submission by scrolling to the bottom of the dashboard and selecting the appropriate submission type.
